To Whom It May Concern:

I am pleased to recommend Kamdon Bailey. I have had the privilege of knowing Kamdon throughout his career at Santa Ana High School. Over the years, I have been his master teacher, mentor teacher, department chair, and principal. Having the opportunity to watch him grow as an educator and leader has been incredibly rewarding.

When Kamdon first entered the profession, he was eager to learn and always open to feedback. He took every opportunity to improve his practice, and it didn't take long to see that he was committed to becoming the best teacher he could be. That willingness to learn has never changed. Instead, it has helped shape him into a confident educator and leader who others respect.

Kamdon has a natural ability to connect with students and create a classroom where they feel supported while being challenged to do their best. He genuinely cares about the success of his students and works hard to make learning meaningful. His positive relationships with students, families, and colleagues are a reflection of the person he is.

Throughout his time at Santa Ana High School, Kamdon has willingly taken on leadership roles that have made our school stronger. Whether leading student activities, serving on our Instructional Leadership Team, mentoring teachers, or coordinating major school initiatives, he approaches every responsibility with professionalism, reliability, and a team-first mindset.

What stands out most to me is Kamdon's character. He is dependable, humble, and someone people trust. He listens before he speaks, supports those around him, and always keeps students at the center of his work. Those qualities are difficult to teach and are exactly what make strong educational leaders.

I recommend Kamdon without hesitation. He has earned my respect not only as an outstanding educator, but as someone I have genuinely enjoyed watching develop over the years. Seeing him grow from a beginning teacher into the leader he is today has made me proud, and I know he will continue to make a positive impact wherever he serves.

Please feel free to contact me if you have any questions.

Sincerely,

Elizabeth Enloe, Ed.D.
